

For some of our clients, having a place they can call home may not happen during the winter months ahead.

For those who are not sheltered, simple gifts of basic necessities can fuel hope and assure each one that he or she is not forgotten though homeless right now.

## WHO WE SERVE

Our Homeless Outreach Team serves those who are homeless in Evansville and Vanderburgh County ("homeless" means "staying at local shelters or transitional housing programs," or "living on the streets.")

## HOW WE SERVE

Our case managers work tirelessly with our homeless community members to help them to overcome various barriers and to become permanently housed.

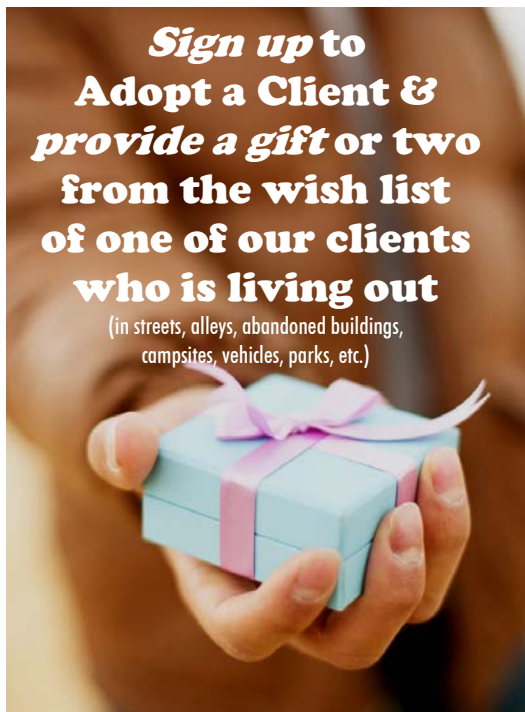

It takes lots of trust on the part of an individual to ask for help and to share their personal needs as well.

One way to help build this trust is to help meet their simple daily needs. For those living on the streets, this means offering them food, clothing, and items to protect them from the elements.

During the holidays, our team provides a special gift for each client along with basic necessities.
